

LAB 17

1)

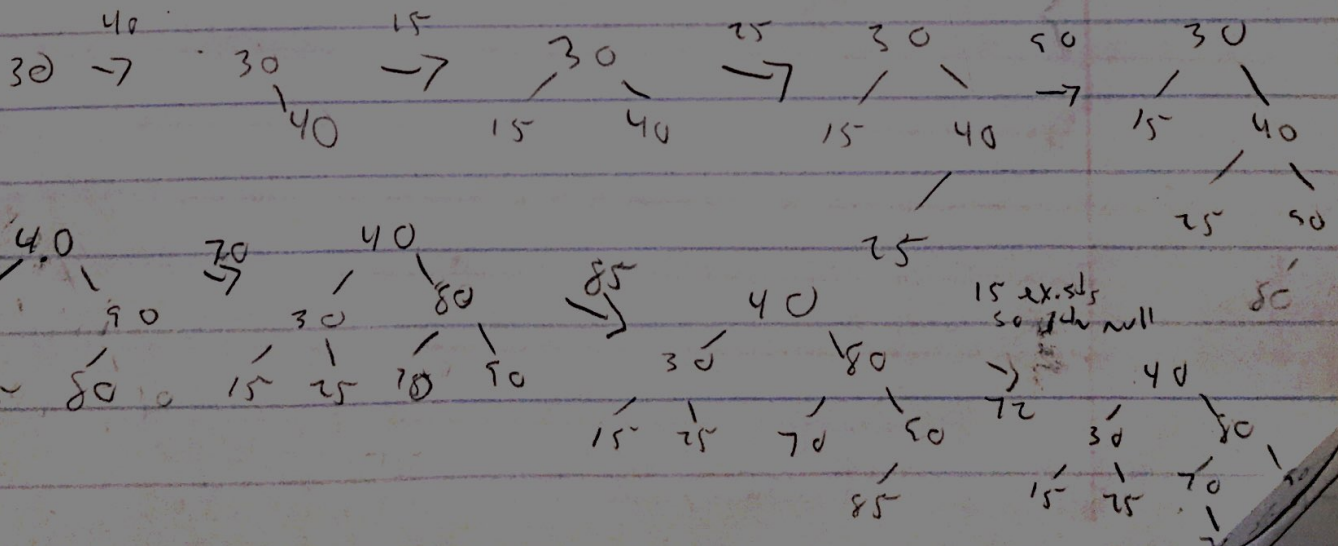

$$1 \wedge \text{Set } C \leq 4 \Rightarrow$$

(2)

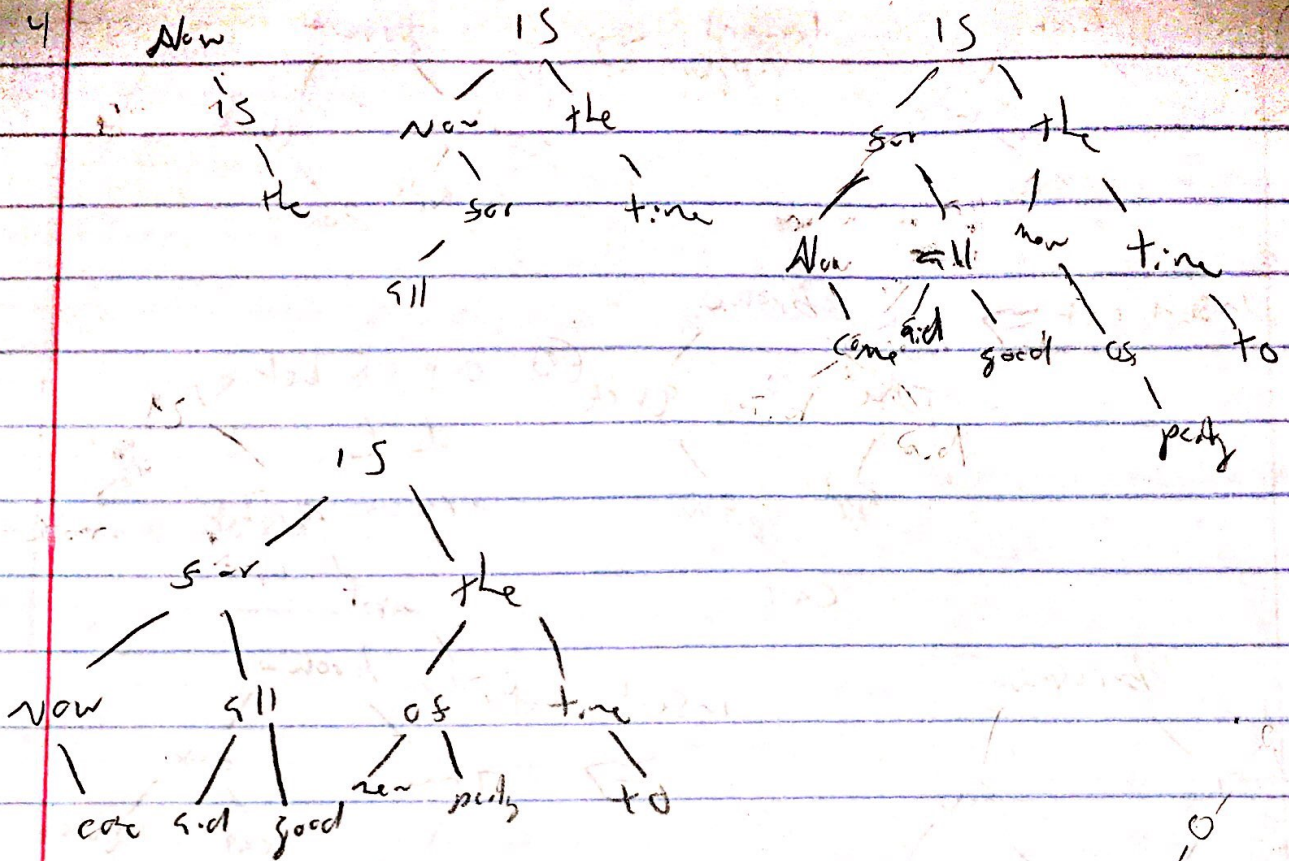

rotating right only  
transferred the imbalance  
to the other side of the  
tree.

③

4

```

1) public void labelNodeRight ( ) {
    if (parent != null) {
        parent.list = list;
    }
    list.right = this;
    this.list = null;
}
  
```
